

New! E-Banking Messenger

Get important text or email messages about your accounts sent to your cell phone or email address.

Why waste your time logging into your Internet Banking on your computer and cell phone when you can have the bank email or text you the information you check on a regular basis? E-Banking Messenger is easy and gives you the options to receive emails or texts that provide you the following:

Memo transaction Alert: Be notified any time a memo transaction occurs on your account, such as a Debit Card, ATM, or ACH transaction. This can be helpful in case a merchant accidentally overcharged your account or there was fraudulent activity that occurred.

Account Activity Update: Be notified of any transactions that have recently posted to your account. You will be provided your current available balance so you won't accidentally overdraw your account.

Loan Payment Due Alert: Be notified if you have a loan payment due so you won't be late making a payment to us.

Daily Balance Notice: Be notified your daily balance information such as your current balance, balance last statement, Amount last deposit, date last deposit, amount last check, and the date of your last check.

Set up is fast and easy. Just login to your E-Banking at www.lonestarwtx.com and click on the Messenger "New" link at the top. See below for detailed steps:

Click the drop down box to select the type of messenger you want to enable. You can setup more than one type, but you will have to do them one at a time.

Here you will enter the amount of days you wish to be notified on this particular template. **If you have more than one account, you will need to setup messenger for each one individually.** You will also enter the E-Mail address to which you would like to receive the message. **For text messaging, you will need to enter the cell phone SMS address using the instructions below to setup the text feature**

Text Messaging Note: to set up text messaging, you will need to use the SMS address of your cell phone. Here are examples of what it should look like depending on the carrier:

<p>Alltel [10-digit phone number]@message.alltel.com Example: 5551235555@message.alltel.com</p>	<p>AT&T [10-digit phone number]@txt.att.net Example: 5551235555@txt.att.net</p>
<p>Nextel [10-digit phone number]@messaging.nextel.com Example: 5551235555@messaging.nextel.com</p>	<p>Sprint PCS [10-digit phone number]@messaging.sprintpcs.com Example: 5551235555@messaging.sprintpcs.com</p>
<p>T-Mobile [10-digit phone number]@tmomail.net Example: 5551235555@tmomail.net</p>	<p>Verizon [10-digit phone number]@vtext.com Example: 5551235555@vtext.com</p>

So if your cell phone number is 806-555-1234 and your cell phone carrier is AT&T you will use 8065551234@txt.att.net as your email address.

If you need additional help setting up your E-Banking Messenger alerts, please give us a call at your local branch and we will be able to assist you. **Note: For customers that use the Commercial E-Banking, we will need to set these up for you at the bank, so just let us know which ones you want to activate and we will do it for you.**
